Me Too Israel, Hasbara -
THE GOOD FONT

HANNAH ILIEVSKY

UX/UI Designer

Versatile UX/UI Designer with a background from Bezalel Academy, blending experience in user-centric design and occupational therapy research. Skilled in utilizing tools such as Figma and Adobe XD to deliver intuitive interfaces and compelling user experiences. Proficient in English and adept at collaborative projects, I leverage design methodologies and research insights to enhance product functionality and accessibility. Committed to developing innovative solutions that address user needs with a keen eye for both usability and aesthetics.

EXPERIENCE
